

ECE 438: Laboratory Setup and Rules

Lab assignments can be downloaded at <http://vise.www.ecn.purdue.edu/VISE/ee438L/>
The sequence of labs for Fall 2009 are as follows:

Lab 1
Lab 3
Lab 4
Lab 6.1
Lab 6.2

Lab 2
Lab 5.1
Lab 5.2
Lab 9.1
Lab 9.2
Lab 10.1
Lab 10.2 a
Lab 10.2 b

Lab 8

Attendance:

- Students must attend laboratory whenever they are healthy. If you have flu symptoms please complete the lab from a remote location and hand it in electronically in the TA drop box on Rhea

Laboratory Components (25% of total course grade):

- **Quiz:**
 - 30% of total lab grade
 - Given weekly at **beginning** of session, except for first week
 - 15 minutes to complete and 10 points per quiz
 - Based partially on lab readings for current week
 - Mainly based on homework assignment of the previous week
 - If student is late more than 10 minutes for quiz, will NOT be allowed to take makeup without valid excuse
- **Laboratory exercises:**
 - 70% of total lab grade
 - Work done in groups of two
 - Coding exercises are to be conducted during session
 - Lab reports are to be completed at home

Lab Report:

- One lab report per group
- Report due **beginning** of the next lab session **before** quiz
- Late reports will be penalized at 10 points per day
- Discussion between groups is encouraged, but sharing code is prohibited

Lab Report Grading:

- Lab report is graded out of 100 points
- Grading rubrics established in previous semesters (contain list of points for each exercise and question) will be used to grade lab reports. Rubrics will not be distributed to the students.
